

BECOMING: RELENTLESS JOURNEY OF LEADERSHIP

Nasim Afsar, MD MBA MHM

Journey through leadership

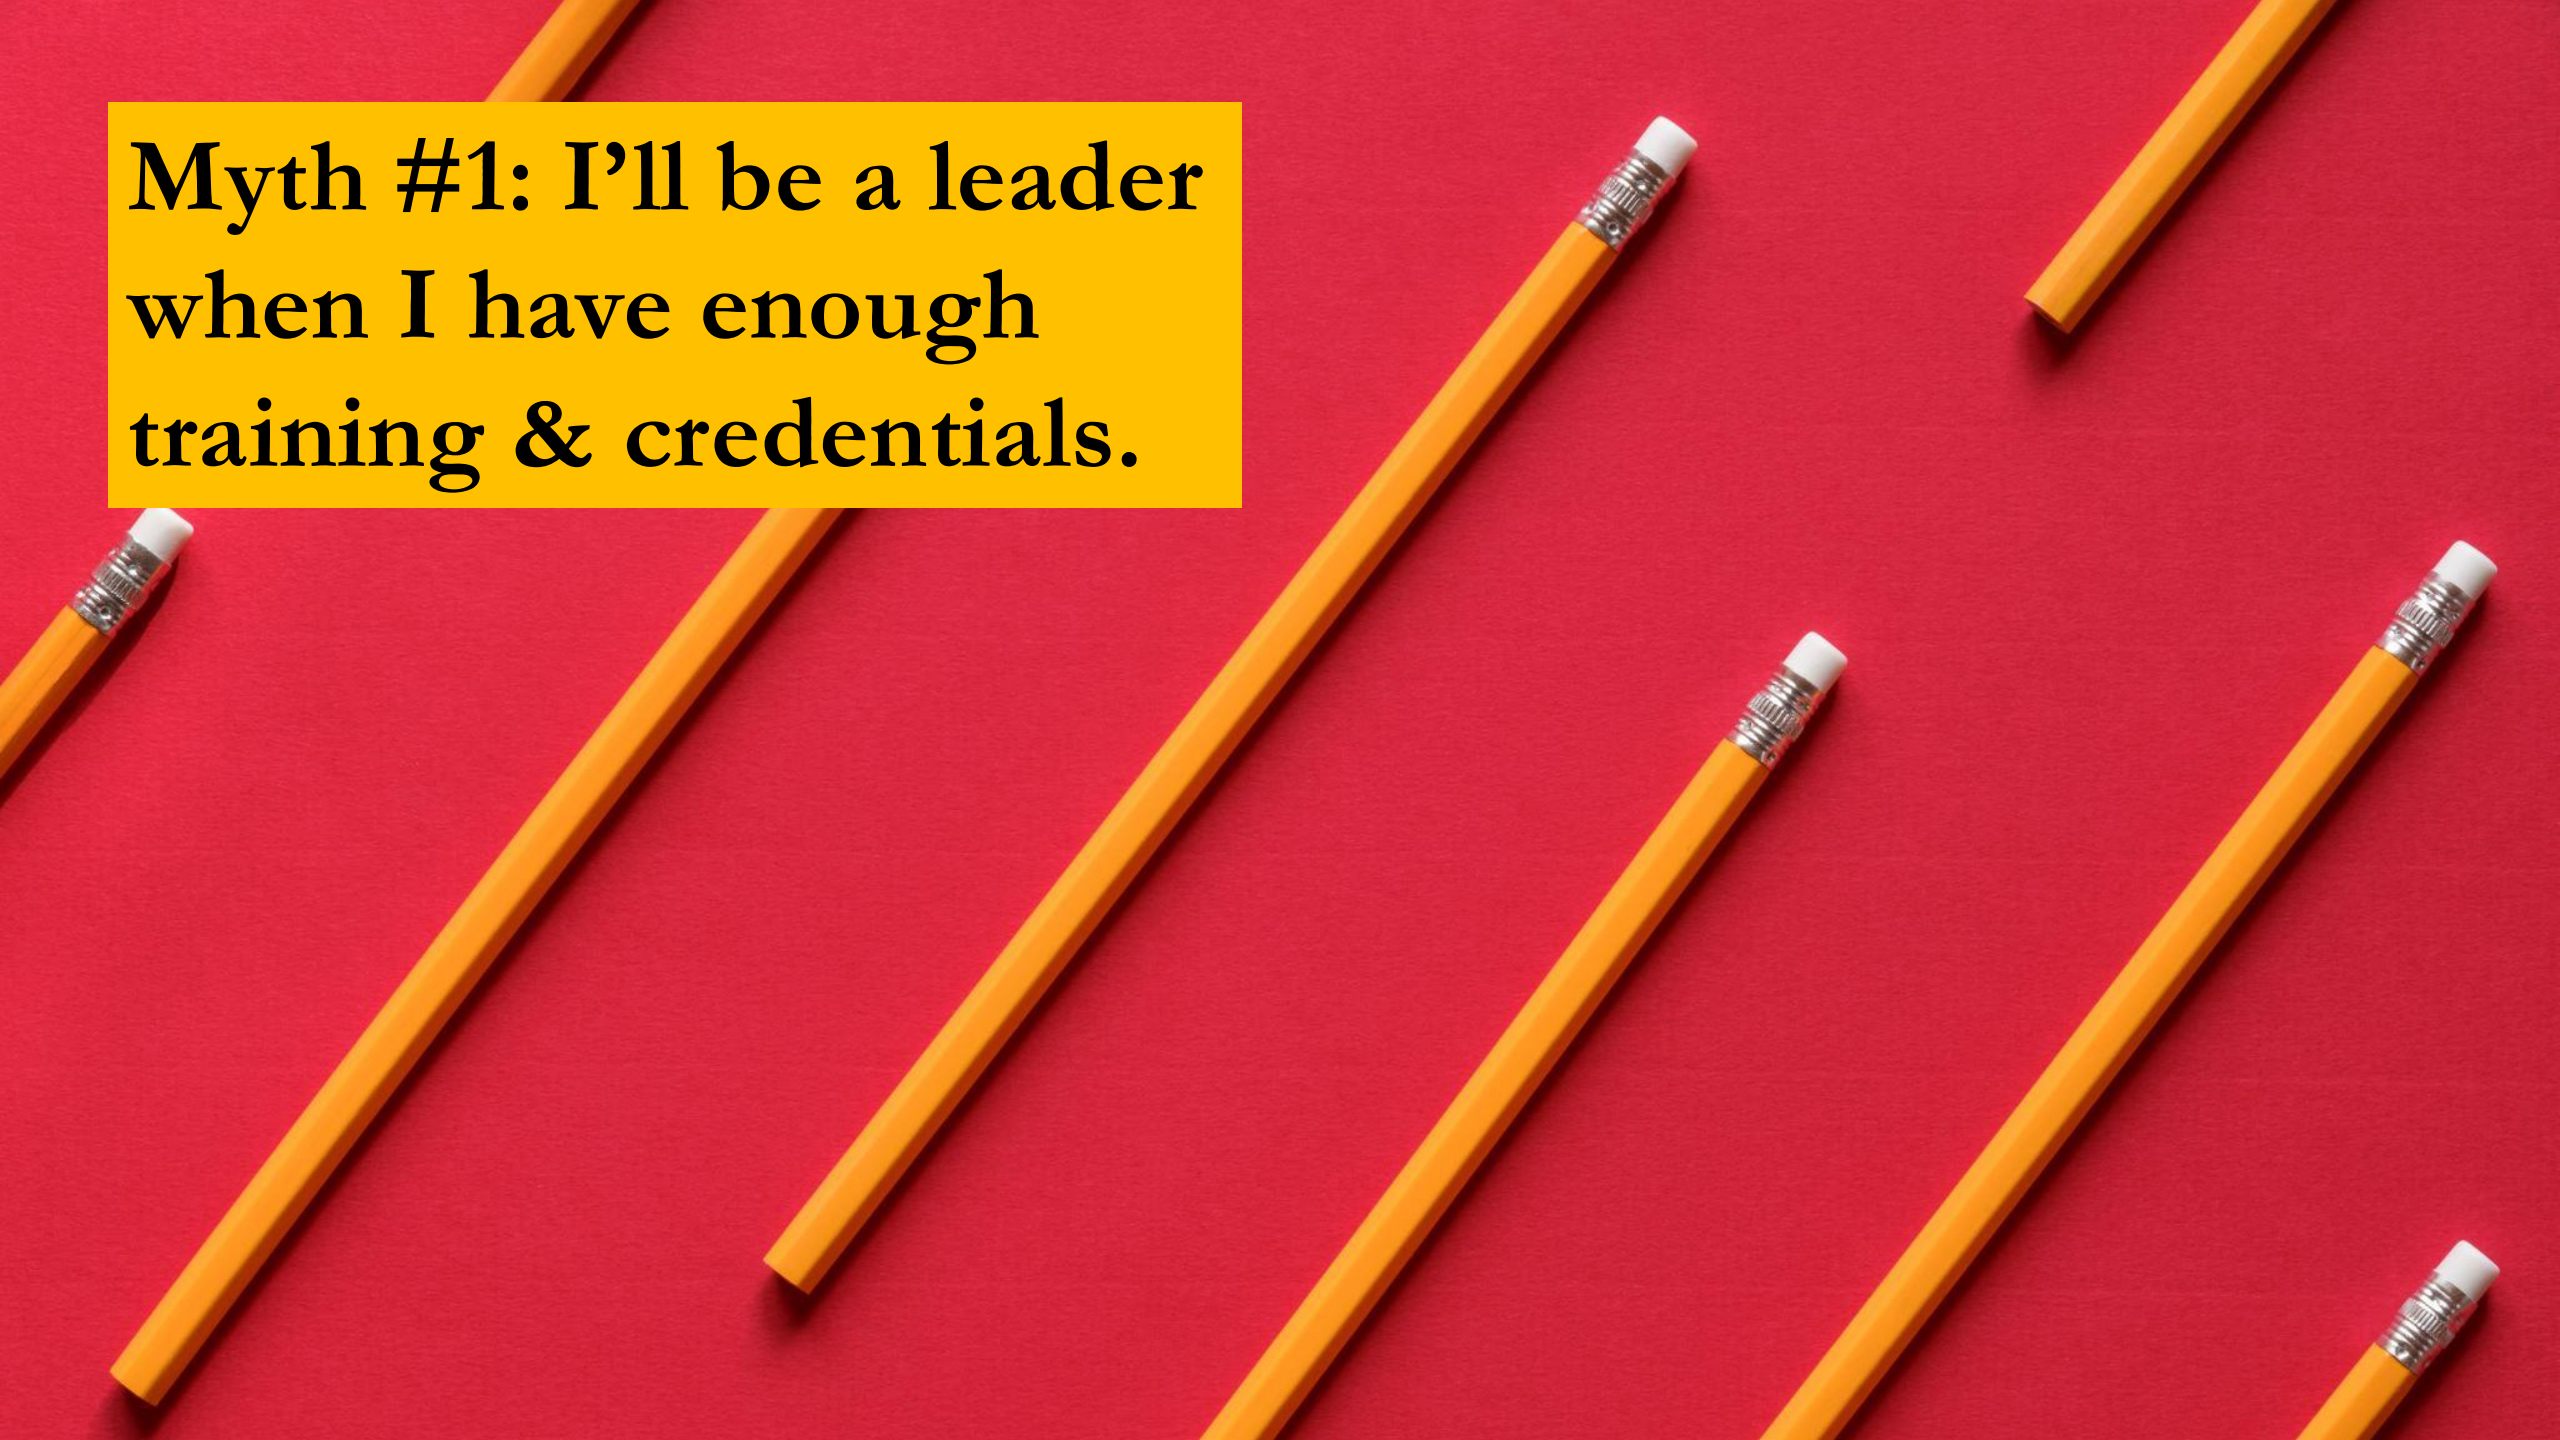

My journey...

**Myth #1: I'll be a leader
when I have enough
training & credentials.**

**Truth: Learning is the
currency of leadership.**

**Myth #2: I'll be a leader
when I have the right
title.**

Truth: Title doesn't
define the leader—it's
the meaning you bring
to the work.

**Myth #3: I'll be a leader
when I have a seat at
the table.**

**Truth: You need to
build your own table.**

**Bringing it together:
Move from perfection to
wholeness. Lead with
your full self.**

And find your tribe.

A close-up photograph of several pink flowers, likely ranunculus, with many layers of delicate petals. The flowers are in various stages of bloom, with some showing a lighter, almost white center. The background is a soft, out-of-focus light gray.

Thank you.
